Camelion®

Rechargeable Flashlight

Camelion® Rechargeable Flashlight

Main Features

- Easy to operate
Push button on the side of the flashlight to turn it on and off.
- Rechargeable and long-lasting
Built-in 18650 rechargeable battery with 1000mAh capacity. Type-C port for charging.
- Powerful and efficient
LED light source provides 120 lumens and 100m beam distance.
- Lightweight and portable
The compact and ergonomic design makes it easy to carry in your pocket.

Specifications

Power Source: 18650 Li-ion Rechargeable Battery
Light Source: LED
Beam Distance: 100m
Output Power: 1W
Charging Port: Type-C
Dimensions: 110 x 30 x 30mm
Weight: 110g

The Camelion rechargeable flashlights are integrated with convenient type-C ports, which universally fit for most chargers. The LED's wide diameter illuminates a large area and provides an ultra-long beam distance. They are excellent emergency light sources during power outages.
